The substitute of the revolting details of horror, it stands unsurpassed in the six super-pious barebones, fingered by hatred and executation:

THE MCNEIL MASSACRE.

TORY OF MISSOURI RADI-CALISM.

So long as God gives us life, and the earth is cursed with the presence of Mc-Nytt, we feel it to be our solemn duty to rehearse, once every year, the story of the most atracious and horrible occurrence in all the annals of barbarous warfare. On Friday, the 17th day of October, 1862,

ror throughout the civilized world. Ten brave, and true, and innocent men were taken from their prison, driven to MURDERED!

By the hell-spawned and hell-boun Devil, sheriff of St. Louis county.

BUTCHERED!!

Murdered! Shot to death!

There was our poor, handsome, gallan boyhood friend, Tom SIDENER-As pure a soul as ever winged its flight bygones be bygones; -Forgive and That nation of pharisaic cut-throats, tom of all this, is a want of very will yet, to all eternity, damn the flendish from blood-stained sod, to that God who Poor Tom!

He was a model, a paragon of manly of the glorious Republic of our grace and beauty-So exquisitely formed, features so perditti, which goes forth with the bible How many good old men go down to fect and so fair, so brave and yet so gentle, "in his beauty and his wickedness he reminded him of Absalom"-

Poor fellow ! He was engaged to be married to young lady in Monree county. When he learned he was to be shot, he

BANDED FARMERS.

close of the year. tling for the white against the black, This recipe for getting good men for the true against the false, for each candidate for each office, make and trying to pocket the translucent

pists of the next half century. The Mobile (Alabama) Register calls upon the Southern Granges to consider at once the following with rakes and fine-tooth combs, in points: First, how much land or cotton or other aid each one can The horses, cattle and sheep on exhibition compare with the best in Missouri, but hogs fall short.

A notable feature was a flock of Angora orhood. Second, having so conbrother Grangers, and aid a general immigration society. Third, to con-Granges; and to endeavor to form a simple and immediate basis for concert of action. By thus acting at home, the Granges of the South can themselves solve that problem so vital to them-the introduction of white immigrants, and the salvation of their section from thief and nigger

> The press of the country is doing the farmers' movement a good ser vice by cautioning the Grangers against the admission to their order of the old party backs. This class of men is composed of two wings. The first are those vampires, who have adhered to Radicalism because of the hope of personal gain, but never baving received pay for their partisan extravagance, are ready to leave it if the new order promises to be a success and they are recognized. The other wing is composed of Democratic partisans, who love themselves more than principle, and whose blundering, diabolical manthe prime cause of its present hopeless condition. Every such man is familiarly known in his immediate section. Don't admit them to the eighty-three, had preceded him but a grange. They will be the weight short week. which, if it does not drag it down, will hamper it, and render it odious quirer ought to be massacred. He says of to better men.

Every editor is, we believe, en- Massey-cur." titled to admission to the order of Patrons of Husbandry, by the pro visions of its Constitution, And this was a wise step in the founding of the order, and has contributed and must still continue to contribute a mighty force in its onward march We shall, with grateful confidence, Nevertheless, we would advise edianticipate the result of your club- tors,-even those who feel a true bing effort. In a Southern woman's and earnest interest in the success vocabulary, there's no such word as of the movement, - not to press fail. If at first you don't succeed, themselves for membership, but to "try," try, try again. A queen of await the pleasure of the Grangers, hearts and diamonds is always good and their invitation. An editor may think himself an acquisition to the order; and yet, owing to his former political relationship, his old political seal, his connection with the order at present, might result in absolute damage. Let the Grangers first extend an invitation, and then the editor will feel that he is no inter find loper. Remember, brethren of the press that you hold the lever that moves the world;-that no under taking, enterprise, project or revolution, on God's earth to-day, can suc ceed without your omnipotent aid Don't force yourselves on anybody's company, unasked. Stand on the dignity of your power.

Never since Jonah telegraphed base that he such a conglomeration of ideas as Donan throws together over the discovery of an oil well in sooning by Andrew Wells; and for near a column his article is as oleaginous as the checomer discounts by Mr. Wells, near Millville. We down that there is plenty of petroleum in Easy county, if it was developed, but are fearful that the deposit struck by Mr. Wells is too near the surface to be of much value.

Old Selection of Your arty You

The Lexington (Mo.) Caucasian has undergone a slight change in proprietors. Mr. Nesbitt has succeeded to the position of Allen, the former business manager of the concern. The Caucasian is as shie newspaper, and a very hard case. Donan, its editor, is one of the most intelligent fanatics in the United States, and hews to the line with wonderful power shift effect. He is a friend and supporter of the right.
